Strengthened effects on long rides

Øresund Rundt '16

June 7-9, 2016
3 days - 160 km

Positive impact

A photograph of two women riding a tandem bicycle on a city street. The woman on the left has red curly hair and is wearing a black jacket over a red vest and a white tank top. The woman on the right has blonde hair and glasses, wearing a blue quilted jacket over a red vest. A cyclist in a blue and black jersey and an orange helmet is riding behind them. In the background, there is a white pickup truck, a metal fence, and city buildings.
